## ABOUT IPS-CTM, GWALIOR

IPS College of Technology and Management was established in the year 2007, aiming to become the most preferred engineering college in central India, for students to obtain a world-class engineering education, and develop into the leaders of tomorrow. IPS-CTM endeavors to make the students technologically superior and ethically strong, who in turn, shall contribute to the advancement of society and humankind. The committed faculty advances the boundaries of knowledge through interdisciplinary research. The Institute, on its part, pursues continuous development of infrastructure and enhancement of state-of-the art equipment to provide our students a technologically up-to-date and intellectually inspiring environment of learning, research, creativity, innovation, and professional activity.

### VISION

"To produce technically sound, professionally competent, and socially committed individuals imbued with ethical values to serve the society."

### MISSION

"To build a centre of excellence for learning where young talents can be nurtured to their fullest potential, through focus on teaching, learning, research and innovation in order to improve quality of life of the community and the nation at large."

## OBJECTIVE OF ED Cell

Entrepreneurship Development Cell, IPS CTM Gwalior, is a no profit initiative with an aim to coordinate the entrepreneurial activities in and around IPS CTM Gwalior, and the rest of Gwalior Chambal Region.
