

## A Report on Seminar

### Topic – Research Areas in Mechanical Engineering

#### INTRODUCTION

A seminar on “Research Areas in Mechanical Engineering” was held on **July 14, 2023 at 11:30 am**. The seminar was organized by the Mechanical Engineering Department in association with the Research and Development Cell, IPS College of Technology & Management, Gwalior. The main aim of this seminar was to provide information about the research areas in Mechanical Engineering.

#### OBJECTIVES

The objective of this seminar was:

- To motivate of participants for doing research
- To make the participants aware of research areas in Mechanical Engineering.
- To help the participants to select the topic for research work

#### LEARNING OUTCOMES

The Participants gained knowledge on

- Research areas in Mechanical Engineering
- Selecting the topic for research work

#### SPEAKER

The lecture was delivered by Dr. Manoj Narwariya, Dean (R & D Cell), IPS College of Technology and Management, Gwalior.
