

LECTURE SERIES ON WAVE MECHANICS

Two days **Popular Lecture Series on Wave Mechanics** sponsored by **RGPV, Bhopal** under **TEQIP-III** has been organized by Dept. of Applied Science and Humanities on April 06-07, 2019.

On the first day i.e. April 06, 2019, **Prof. Ashok Shrivastava, Louisiana State University, USA** and **Prof. Anurag Shrivastava, ABVIITM, Gwalior** delivered their talk on Wave Mechanics and its necessity in technological advancement. On the second day of the lecture series i.e. April 07, 2019, **Prof. M.K. Harbola, IIT, Kanpur**, delivered his lecture on wave mechanics and its basic idea to enhance the class room teaching. Concluding session of the lecture series was taken by **Dr. Rishi Sharma, Senior Scientist, Cires, Pilani** on Quantum Description of Raman Spectroscopy and its application in daily life.
