

Notice

National Power Training Institute (NPTI) under the Ministry of Power, Govt. of India is organizing a 3-Day Skill Development programme on “**Solar Technology & Management**” in our campus during **09-01-2017 to 11-01-2017**. The skill development programme would provide the students an opportunity to enhance their skill sets which should help them in finding gainful employment opportunities.

The programme introduces students with the latest of solar sector – the future Energy resource and thus is highly beneficial to the students interested in making a career in the same.

Participants attending the programme may be offered Skill Development Certificate from National Power Training Institute (Ministry of Power, Govt. of India).

Attending the 3-Day skill development programme is **free** to the participants.

A Nominal charge is proposed only from the participants seeking the skill development certificate from National Power Training Institute (Ministry of Power, Govt. of India) @ **Rs 100/Participant**

I would request you to send the list of **participants and those seeking certificate from NPTI** before **03-01-2016** separately, so that their certificates may get ready on time.
